

## Workshop of Model and Roadmap

Local workshop about the Innohubs model and Implementation plan.  
Getafe, June 28 2011

On 28<sup>th</sup> June 2011 GISA celebrated a workshop about the Innohubs model and the Implementation plan in the Municipal Business Centre, in Getafe.

### **Number of attendants: 22.**

The attendants were specifically selected among the local and regional institutions that worked for supporting SME's and entrepreneurs, especially in innovation. There were also entrepreneurs and companies, so that GISA could collect their opinions

and experiences related with innovation and the implementation plan.

### **Agenda**

- Welcome and introduction of participants
- Presentation of the Innovation Hubs Project
- Presentation of the Innovation Hub model
- Discussion about local implementation plan
- Conclusions
